Dear Friends:

You are invited to play in the association's 19th Annual Golf Tournament - the '3<sup>rd</sup> Sonoran Desert Scramble' – which will involve competing foursomes with each team recording their scores. To enable everyone, regardless of skill level, to have a fair shot at the trophies, we will be using the Callaway Scoring System. Plus, there will be many door prizes.

Don't miss this fun event! Plan now to enter as an individual, couple or team. We will also be making up teams. Fairview Mountain is an acclaimed golf course and received the BCPGA's top award last year. It is a first class course. The \$136.50 entry fee *includes* - green fees, shared power cart, lunch & beverage, prizes and the \$6.50 GST!

We promise great golf, fellowship, food and prizes so don't miss out!
